

Faith-Based and Non-Profit Organizations

You make the difference. We make it easy.

Our goal is to provide you and your volunteers the same care and attention you dedicate to others. We do it by providing customized health and wellness benefits that make it simple to access quality care and better manage health and costs.

We aim to ignite meaningful change by giving volunteers the tools to improve their health and their ability to continue their essential work. We also aim to contribute to the health of your organization with tailored solutions that offer:

- Flexibility in plan design for Patient Protection and Affordable Care Act Compliant (PPACA) and exempt benefit strategies
- Long-term value in medical cost reductions
- Initial and ongoing support for improving volunteers' overall health and wellness

Global experience, informed solutions

Our experience

More than 50 years of experience serving Faith-Based and Non-Profit organizations

More than 120,000 international Faith-Based and Non-Profit members

Aetna employees volunteer over 400,000 hours annually

A personalized approach to our work

What it means to you

Our dedicated team will deliver customized solutions informed by years of expertise

Benefit strategy expertise, underwritten and administered by Aetna

A benefits partner led by people who share your values, compassion and mission-driven culture

Flexible plan designs and underwriting arrangements to suit your specific needs

Building a healthier world around your volunteers

Our Aetna International Employee Assistance Program gives members confidential support for dealing with mental health, work, life, personal or family issues.

The program features:

- Information, resources and counseling for any work, life, personal or family issue with no cost to members to use the services
- Support available 24 hours a day, 7 days a week, 365 days a year
- Up to 5 sessions of counseling per issue per year
- Support and resources available in multiple languages

Keeping volunteers healthy, inside and out

Our plan designs come with built-in solutions to help members access quality preventive care, better manage stress and chronic conditions, and get the treatment they need when ill. It's all aimed at keeping them healthy so they can fulfill their passion for service.

Staying Healthy

Promoting better health to members and giving them easy access to information on how to combat future health risks

Understanding risk

Targeting at-risk members with specialty interventions using strategic recommendations

Managing risk

Putting targeted interventions in place to drive costs lower and keep volunteers going strong

Managing risk +

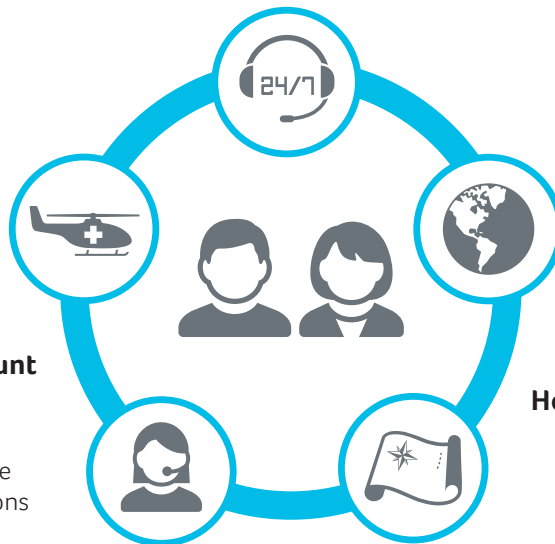

Taking a proactive approach to helping members better manage their chronic health conditions

Quality Member Service

Highly trained, multilingual member service representatives available 24/7/365

Seamless Medical Evacuation

The right care for when your volunteers need it the most

Expansive Direct Settlement Network

More than 150,000 providers worldwide

Dedicated Account Service Team

Working closely with you to create customized solutions

International Health Advisory Team

Helping members navigate complexities of global health care
