Is It Important To Have Medical Insurance?

Perhaps the better question is whether you are prepared to travel without it.

While international travel is often interesting, fun, and exciting, it is important not to ignore the real risks we face, even though we do not like to think about them happening. Imagine it is 3 a.m. back home and you are severely injured in a fall, will anyone pick up the phone at your local insurance company? If they do answer, can they or will they have the ability to assist you with your emergency?

Many health insurance plans have restrictions for time spent out of home country or geographic areas that lack coverage. Be confident when you arrive in another country that you will enjoy the security of the finest travel medical insurance protection available in the market today. Azimuth Risk Solutions provides the essential coverage and service to respond quickly, compassionately, and professionally to the emergency mentioned above and hundreds of other travel emergencies. ***Coverage Anywhere. Value Everywhere.***

Is the Beacon Series a Good Value?

The Beacon Series offers the most comprehensive schedule of benefits available in today's travel medical insurance market and all at an affordable price. Azimuth believes the real value of an insurance plan exists in the service attached to the plan and the ability to respond in a time of need. Azimuth takes tremendous pride in professionally serving our clients, with staff members who enjoy helping people, no matter where they are in the world and at any time of the day or night.

Sudden Onset of Pre-existing

The Beacon Series offers coverage for a prior health condition, which suddenly and unexpectedly asserts itself during your travel, but has not received ongoing treatment, which would include medication or therapy of any kind for the past 730 days. Policies purchased with Maximum Limits of \$550,000, \$1,100,000 or \$2,000,000 offer coverage for Eligible Expenses up to \$150,000. Policies purchased for all other Maximum Limits offer up to \$50,000 and up to \$25,000 when related to an Emergency Medical Evacuation. The Sudden Onset of Preexisting benefit is only available to Participating Members under the age of 70. With this powerful benefit, you will enjoy the peace of mind knowing you have coverage, even when your health history has a few blemishes.

Political Evacuation

If you spend any time reviewing the headlines, you know the potential for a crisis to appear seemingly out of nowhere is real and present. The Beacon Series offers up to \$100,000 in coverage in the event the US Department of State issues a travel warning on or after your effective date, contact Azimuth within 5 days for assistance in coordinating travel to an alternate destination.

Third Party Liability

If you are traveling away from your home country and outside of the US, the Beacon Series now offers up to \$500 in coverage for Third Party Liability. So, be careful, but if you did knock over that lamp in the hotel lobby, you can feel better knowing that you have protection that goes where you go.

Emergency Medical Evacuation

It is likely that the most significant financial and personal risk you face abroad is the need for an emergency medical evacuation. In the case of a life-threatening injury or illness, the Beacon Series provides coverage to transport you to the nearest facility, which can properly care for you. We know it is important not to feel alone in a time of crisis, which is why the Beacon Series also provides coverage for the transportation of an immediate family member or friend to your bedside in the event of an Emergency Medical Evacuation.

Note: All benefits discussed here are as indicated in the Beacon Series Schedule of Benefits.
