The staff at GNI are Christians with decades of service overseas. We look out for YOU because we've been there ourselves. We've seen what happens to families without good coverage. Or can't afford good coverage. We use our expert knowledge and special relationship with our carriers to select a insurance plan just right for you. Guaranteeing you or your organization the best rates and benefits in the industry. And we are sensitive to your concerns in communicating with those on the field.

We represent nine companies, and have insured tens of thousands of Christian workers in every country of the world over the last 15 years. Our purpose is to be the best insurance brokerage serving believers working overseas. We offer a wide variety of insurance plans to save you the most money. We also insure property and provide additional term-life insurance to protect you overseas.
