What is GeoBlue Navigator?

Worldwide health insurance and services for students and faculty.

Why Choose GeoBlue Navigator?

The GeoBlue Navigator health plan meets the needs of international students and faculty by offering comprehensive worldwide benefits—inside and outside the U.S.—without the typical limits, eligibility conditions and benefit exclusions common among traditional plans.

GeoBlue Navigator is the premier health plan for students and faculty because it combines these benefits with concierge-level medical assistance and easy access to the Blue Cross and Blue Shield provider network, the largest provider network in the U.S., and an elite community of carefully selected providers outside the U.S. GeoBlue Navigator gives students and faculty peace of mind, knowing they have the freedom to access top medical care no matter where their studies or assignments take them.

Does GeoBlue offer coverage for assignments shorter than 3 months?

Yes, GeoBlue Voyager provides coverage for students and faculty traveling outside of the U.S. for short-term research, study or international experience. For study or assignments inbound to the U.S., the minimum length of stay is 3 months under the GeoBlue Navigator policy.

GeoBlue provides unsurpassed service and the convenience of mobile technology to access the best medical care no matter what town, country or time zone.

Easy Access to an Elite International Provider Community

Strength of the Blue Brands in the U.S.

GeoBlue members have cashless access to the Blue Cross and Blue Shield network in all fifty states.

More than 96% of physicians and more than 91% of hospitals across the U.S. are a part of the BlueCard Network.

Outside the U.S.

GeoBlue has a network of doctors that includes almost every speciality you may need in over 180 countries.

Only a small fraction of doctors around the world meet GeoBlue standards – participation is by invitation only. We seek out professionals certified by the American or Royal Board of Medical Specialties who speak English, and we factor in recommendations from over 140 Physician Advisors from all over the world. Then we assemble in-depth profiles so our members can choose with confidence, and we put formal contracts in place to ensure patient access. Once they've seen you, GeoBlue doctors bill us directly so you don't have to file a claim.

Emergency Evacuation and Centers of Excellence

GeoBlue coordinates emergency services with a worldwide network of contracted Physician Advisors as well as air ambulance operators selected for their safety records. Members in need of life-saving medical intervention are treated in Centers of Excellence in the U.S. and around the world whenever possible.

Around-the-Clock Assistance Call Center

GeoBlue maintains a 24/7, toll-free call center to assist GeoBlue members with everything from routine requests to medical emergencies. The GeoBlue staff has years of experience with international medical assistance and has close working relationships with its International Provider Community.

Unsurpassed Member Services

Applications can be requested at info@gninsurance.com or at <https://www.gninsurance.com/geoblue-trekker-choice-essential-overseas-health-coverage/>

A personal check, money order or credit card number must accompany the application and must be sufficient to pay for one month of standard premium.

GeoBlue will hold the form of payment until an underwriting decision is made. If your application is accepted, the payment will be applied to your account.

Quotes obtained online or by telephone are advisory only. Actual premium is determined by the medical underwriting process.

GeoBlue will review your medical history as provided on the application and may request an Attending Physician's Statement. GeoBlue publishes standard premium rates for non-smokers. Smokers and other applicants with certain medical histories may be offered a policy at a higher rate. Not all applicants will be accepted. Your effective date of insurance will be on the 1st or 15th day of the month following underwriting approval.

When your application is accepted, GeoBlue will mail you and any family members covered under the plan a Welcome Kit with identification cards, a certificate of insurance and instructions on how to register online.

Procedures for filing a claim or requesting direct payment of participating providers will also be included.

Eligibility

GeoBlue Navigator is designed for extended living abroad. You can choose to enroll in a new plan when your existing plan expires. It is important that you carefully read and fully understand the following.

I, the undersigned, understand that, under the GeoBlue Navigator for which I am applying, I may be entitled to lesser benefits if I use a nonparticipating hospital, physician, or other provider, than if I use a participating hospital, physician or other provider.

All applicants age 18 and over must personally read, agree to, and sign the following. If an applicant does not read English, the translator must sign and submit the Statement of Accountability, Section 9, for translating this entire application.

If you currently have health coverage, we strongly recommend that you maintain your current coverage, and allow us to assign your effective date FOLLOWING APPROVAL. If, however, you would like to request a specific effective date, we strongly recommend you allow 30-60 days for underwriting. This will help ensure that your application is processed before you surrender your present insurance and will prevent you from being required to pay for two policies.

NOTE: If a child is born to the participant the child has to be registered within 31 days. All other children including adopted children must go through underwriting.

☐ I request that GeoBlue Navigator assign my effective date if my application is approved. My effective date will be assigned as either the 1st or the 15th of the month following the approval date of my application.

7. If I am accepted, this application will become part of the agreement between the insurance carrier and myself.
8. GeoBlue may request additional information, and this may delay processing of this application. If the health care provider charges a fee for these services, GeoBlue will determine payment, and I will be responsible for any difference.
9. The selling agent has no authority to promise me coverage or to modify underwriting policy or terms of any GeoBlue Navigator coverage.
10. I have personally read and completed this application. Nothing has been left off regarding the past or present health of anyone listed on this application.
