

So easy

Finding trusted health care information shouldn't be difficult

When you have questions about your health, or the health of a family member, it's important to know that you can quickly and easily find the answers you need. That's why we've put it right at your fingertips — no matter where you are in the world!

On the web

Health Hub

Your personalized, secure member website at AetnaInternational.com is fast and easy to use on any device, helping you manage your benefits, find care, access your plan documents and more. It's optimized to work equally well on any device, including your mobile phone or tablet. Using Health Hub, you can:

- Find nearby doctors and hospitals
- Access your health care plan documents
- Submit claims faster and easier
- Browse a library of health and wellness topics
- Take your health assessment to determine your current state of health

It's easy to register

1. Go to AetnaInternational.com and click "Register now" under the "Log in" section
2. Select your plan type
3. Fill in your name, date of birth and Member ID number found on your Member ID Card

On the go

Life takes you places. And no matter where you are in the world, it's important to have easy access to the information and tools you need to make good health care decisions. Our free mobile apps put the most important and useful features of your secure member website right on your smartphone.

International Mobile Assistant app

Use the International Mobile Assistance app when you're out of the United States to:

- Submit your claims
- Search for doctors and hospitals outside the United States
- Find forms, health care resources and more

It's free to download. Just search "Aetna International" in the App Store or Google Play store. If you haven't already registered for Health Hub, you'll need to do that before you can use the International Mobile Assistant app.

Aetna Health App

Use the Aetna Health App when you're inside the United States to:

- Find doctors, hospitals, urgent care centers and walk-in clinics in the United States
- Estimate your costs
- Track your claims

The Aetna Health App is also free to download. Just search "Aetna Health App" in the App Store or Google Play store. Again, if you haven't already registered for Health Hub, you'll need to do that before you can use the Aetna Health App.
